Pointe 7 supports area charities, participates in Tour of Homes

Springfield, MO –Pointe Seven Condominiums will be one of five stops on this year's Christmas Tour of Homes organized by Neighbors and Friends of Table Rock Lake near Branson, MO.

Now in its ninth year, the tour raises funds for more than a dozen local charities, such as the Kimberling City Library, Christian Associates, and the Blue Eye backpack program. "It's a tight-knit and supportive community here and we're proud to be part of it," says Kim Sullivan, director of sales for Pointe 7. "The Tour of Homes is a win-win for everyone involved."

Sullivan will be touring guests through one of the property's two-bedroom condos, boasting an open floor plan that maximizes the beautiful lakeside views. Developed by Morelock-Ross, the homes feature elegant amenities such as granite counter-tops, fireplace, black/stainless appliances and walk-in closets. Offering a saltwater pool, covered parking and a boat dock, guests will see that Pointe 7 is lakeside living at its finest.

The Pointe Seven home will be open Friday and Saturday, December 4th and 5th, from 10:00 AM until 4:00 PM. Tickets may be purchased for \$15 starting November 1st at the Country Mart in Branson West, and in Kimberling City at the Kimberling Area Library, Metropolitan National Bank, People's Bank, Summer Fresh Supermarket, and Harter House.

Point 7 provides lakeside beauty and convenience with all the comforts of home. Home prices start at \$288,250. Contact Kim Sullivan at (417) 840.8670 for a personal tour or log on to www.pointeseven.com for details.

Pointe Seven is another landmark development of the Morelock-Ross group of companies. Since 1982, Morelock-Ross has been delivering quality construction, unique architecture and superior service to their clients.
